

Prideľovanie prístupu do

 **Google Analytics** účtu.

1  V Google Analytics prostredí kliknite na tlačidlo **Admin v ľavom dolnom rohu**.

2 ■ V ľavom stĺpci kliknite na možnosť **Account Access Management**.

3 ■ Kliknite na modré tlačidlo s **označením plus** v pravom hornom rohu.

4 ■ Zvolte možnost **Add users**.

The screenshot shows a dialog box titled "Add roles and data restrictions" with a close button (X) in the top left corner. The dialog contains two main sections. The first section, "Email addresses", has a text input field labeled "Enter email addresses" and a checked checkbox labeled "Notify new users by email". The second section, "Direct roles and data restrictions", has a sub-section "Standard roles" with five radio button options: "Administrator" (selected), "Editor", "Analyst", "Viewer", and "None". Each role option includes a brief description and a "Learn more" link. In the top right corner of the dialog, there is a purple "Add" button. Three large black arrows with white outlines point to the "Enter email addresses" input field, the "Administrator" radio button, and the "Add" button, respectively.

5 ■ Zadajte **e-mailovú adresu**, ktorej udeľujete prístup k účtu, a zakliknite možnosť **Administrator**. Následne dokončite úkon kliknutím na **modré tlačidlo v pravom hornom rohu** s nadpisom **Add**.

 **Gratulujeme!** Hotovo!
